COOPERATIVE AGREEMENT
Project Study Report – Project Development Support (PSR-PDS)

This Agreement, effective on ~~_____~~ **OCT 01 2013**, is between the State of California, acting through its Department of Transportation, referred to as CALTRANS, and:

City of San Diego, a body politic and a chartered city of the State of California, referred to hereinafter as CITY.

RECITALS

1. PARTNERS are authorized to enter into a cooperative agreement for improvements to the state highway system (SHS) per Government Code 65086.5 and Streets and Highways Code Sections 114 and 130.
2. CITY desires that a project initiation document (PID) is developed for design and construction of a new overcrossing on State Route 56 (SR-56) at Torrey Meadows Drive within the SHS and is referred to herein as PROJECT.
3. PARTNERS acknowledge that this Agreement is only applicable for a Project Study Report-Project Development Support (PSR-PDS) PID.
4. California Government Code section 65086.5 mandates that CALTRANS review and approve all PIDs developed by entities other than CALTRANS.
5. PARTNERS hereby set forth the terms, covenants, and conditions of this Agreement, under which they will complete the PID.

ROLES AND RESPONSIBILITIES

6. CITY will develop the PID and will fund one hundred percent (100%) of the PID's costs and fees, including costs to reimburse CALTRANS. If in the future CALTRANS is allocated state funds and Personnel Years (PYs) for PID review of this PROJECT, CALTRANS will agree to amend this Agreement to change the reimbursement arrangement for PID review. The PID shall be signed on behalf of the CITY by a Civil Engineer registered in the State of California.
7. CALTRANS will review and approve the PID prepared by CITY; will provide relevant proprietary information in the form of existing data dumps, spreadsheets, and maps; will actively participate in the Project Delivery Team (PDT) meetings; and will complete any work elements identified in the SCOPE SUMMARY of this Agreement. All CALTRANS' activities will be done as reimbursed work.

8. CALTRANS will complete the work elements that are assigned to it on the SCOPE SUMMARY which is attached to and made a part of this Agreement by reference. CITY will complete the work elements assigned to it on the SCOPE SUMMARY. Work elements marked with "N/A" on the SCOPE SUMMARY are not included within this Agreement. Work elements are listed in the Workplan Standards Guide for the Delivery of Capital Projects that can be accessed at www.dot.ca.gov/hq/projmgmt/guidance.htm.
9. The PID shall be prepared in accordance with all State and Federal laws, regulations, policies, procedures, and standards that CALTRANS would normally follow if CALTRANS was to prepare the PID.
10. CALTRANS will complete a review of the draft PID and provide its comments to CITY within 60 calendar days from the date CALTRANS received the draft PID from CITY. CITY will address the comments provided by CALTRANS. If any interim reviews are requested of CALTRANS by CITY, CALTRANS will complete those reviews within 30 calendar days from the date CALTRANS received the draft PID from CITY.
11. After CITY revises the PID to address all of CALTRANS' comments and submits the PID and all related attachments and appendices, CALTRANS will complete its review and final determination of the PID within 30 calendar days from the date CALTRANS received the draft PID from CITY. Should CALTRANS require supporting data necessary to defend facts or claims cited in the PID, CITY will provide all available supporting data in a reasonable time so that CALTRANS may conclude its review. The 30 day CALTRANS review period will be stalled during that time and will continue to run after CITY provides the required data.
12. CALTRANS will perform its review and approval in accordance with the provision of the current Project Development Procedures Manual. CALTRANS' review and approval will consist of performing independent quality assurance (IQA) to verify that quality control/quality assurance (QC/QA) meets department standards and determination that the work is acceptable for the next project component. However, CALTRANS' review and approval does not involve any work necessary to actually develop or complete the PID. No liability will be assignable to CALTRANS, its officers and employees by CITY under the terms of this Agreement or by third parties by reason of CALTRANS' review and approval of the PID.
13. PID preparation, except as set forth in this Agreement, is to be performed by CITY. Should CITY request CALTRANS to perform any portion of PID preparation work, except as otherwise set forth in this Agreement, CITY shall first agree to reimburse CALTRANS for such work and PARTNERS will amend this Agreement.
14. CALTRANS has no obligation to perform IQA activities if funds to perform the IQA activities are withheld or unavailable.

INVOICE AND PAYMENT

15. CITY agrees to pay CALTRANS, an amount not to exceed \$100,000.
16. The cost of any engineering support performed by CALTRANS will be charged according to current law.
17. CALTRANS will invoice CITY for \$100,000 after execution of this Agreement.
18. After PARTNERS agree that all work is complete for the PROJECT, CALTRANS will submit a final accounting for all costs. Based on the final accounting, CALTRANS will refund or invoice as necessary in order to satisfy the financial commitments of this Agreement.
19. If CALTRANS reimburses CITY for any costs later determined to be unallowable, CITY will reimburse those funds.
20. Except as otherwise provided in this Agreement, PARTNERS will pay invoices within forty-five (45) calendar days of receipt of invoice.

GENERAL CONDITIONS

21.
