	to be paid after the expiration date, then the published rate of wage				
	shall be in effect for the life of this Contract. If the published wage				
	rate refers to a predetermined wage rate to become effective upon				
	expiration of the published wage rate and the predetermined wage rate	is			
	on file with the DIR, such predetermined wage rate shall become				
	effective on the date following the expiration date and shall apply to				
	this Contract in the same manner as if it had been published in said
