	and pay the highest of the two rates to their employees. Living Wage				
	applies to workers who are not subject to Prevailing Wage Rates.				
	1. Compliance with Prevailing Wage Requirements. Pursuant to sections				
	1720 through 1861 of the California Labor Code, the Contractor and its				
	subcontractors shall ensure that all workers who perform work under this				
	Contract are paid not less than the prevailing rate of per diem wages as				
	determined by the Director of the California Department of Industrial				
	Relations (DIR). This includes work performed during the design and				
	preconstruction phases of construction including, but not limited to,				
	inspection and land surveying work.				
	1.1. Copies of such prevailing rate of per diem wages are on file at				
	the City and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be				
	found at http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm.				
	Contractor and its subcontractors shall post a copy of the prevailing				
	rate of per diem wages determination at each job site and shall make				
	them available to any interested party upon request.				
	1.2. The wage rates determined by the DIR refer to expiration dates.				
	If the published wage rate does not refer to a predetermined wage rate				
	to be paid after the expiration date, then the published rate of wage				
	shall be in effect for the life of this Contract. If the published wage				
	rate refers to a predetermined wage rate to become effective upon				
	expiration of the published wage rate and the predetermined wage rate is				
	on file with the DIR, such predetermined wage rate shall become				
	effective on the date following the expiration date and shall apply to				
	this Contract in the same manner as if it had been published in said				
	publication. If the predetermined wage rate refers to one or more				
	additional expiration dates with additional predetermined wage rates,				
	which expiration dates occur during the life of this Contract, each				
	successive predetermined wage rate shall apply to this Contract on the				
	date following the expiration date of the previous wage rate. If the				
	last of such predetermined wage rates expires during the life of this				
	Contract, such wage rate shall apply to the balance of the Contract.				
	2. Penalties for Violations. Contractor and its subcontractors shall				
	comply with California Labor Code section 1775 in the event a worker is				
	paid less than the prevailing wage rate for the work or craft in which				
	the worker is employed. This shall be in addition to any other				
	applicable penalties allowed under Labor Code sections 1720 – 1861.				
	3. Payroll Records. Contractor and its subcontractors shall comply with				
	California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and				
	making them available for inspection. Contractor shall require its				
	subcontractors to also comply with section 1776. Contractor and its				
	subcontractors shall submit weekly certified payroll records online via				
	the City's web-based Labor Compliance Program. Contractor is responsible	е			
	for ensuring its subcontractors submit certified payroll records to the	-			
	City. Contractor and their subcontractor(s) shall also furnish the				
	records specified in Labor Code section 1776 directly to the Labor				
	Commissioner in the manner required in Labor Code section 1771.4.				
	4. Apprentices. Contractor and its subcontractors shall comply with				
	California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the				
	employment and wages of apprentices. Contractor shall be held				
	responsible for the compliance of their subcontractors with sections				
	1777.5, 1777.6 and 1777.7.				
	5. Working Hours. Contractor and subcontractors shall comply with				
	California Labor Code sections 1810 through 1815, including but not				
	limited to: (i) restrict working hours on public works contracts to				
	eight hours a day and forty hours a week, unless all hours worked in				
	excess of 8 hours per day are compensated at not less than $1\frac{1}{2}$ times the				
	basic rate of pay; and (ii) specify penalties to be imposed on design				
	professionals and subcontractors of \$25 per worker per day for each day				
	the worker works more than 8 hours per day and 40 hours per week in				
	violation of California Labor Code sections1810 through 1815.				
	6. Required Provisions for Subcontracts. Contractor shall include at a				
	minimum a copy of the following provisions in any contract they enter				
	into with a subcontractor: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.
