	them available to any interested party upon request.				
	1.2. The wage rates determined by the DIR refer to expiration dates.				
	If the published wage rate does not refer to a predetermined wage rate				
	to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Contract. If the published wage				
	rate refers to a predetermined wage rate to become effective upon				
	expiration of the published wage rate and the predetermined wage rate is	5			
	on file with the DIR, such predetermined wage rate shall become				
	effective on the date following the expiration date and shall apply to				
	this Contract in the same manner as if it had been published in said				
	publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates,				
	which expiration dates occur during the life of this Contract, each				
	successive predetermined wage rate shall apply to this Contract on the				
	date following the expiration date of the previous wage rate. If the				
	last of such predetermined wage rates expires during the life of this				
	Contract, such wage rate shall apply to the balance of the Contract.  2. Penalties for Violations. Contractor and its subcontractors shall				
	comply with California Labor Code section 1775 in the event a worker is				
	paid less than the prevailing wage rate for the work or craft in which				
	the worker is employed. This shall be in addition to any other				
	applicable penalties allowed under Labor Code sections 1720 – 1861.				
	3. Payroll Records. Contractor and its subcontractors shall comply with				
	California Labor Code section 1776, which generally requires keeping				
	accurate payroll records, verifying and certifying payroll records, and making them available for inspection. Contractor shall require its				
	subcontractors to also comply with section 1776. Contractor and its				
	subcontractors shall submit weekly certified payroll records online via				
	the City's web-based Labor Compliance Program. Contractor is responsi	ble			
	for ensuring its subcontractors submit certified payroll records to the				
	City. Contractor and their subcontractor(s) shall also furnish the records specified in Labor Code section 1776 directly to the Labor				
	Commissioner in the manner required in Labor Code section 1771.4.				
	Apprentices. Contractor and its subcontractors shall comply with				
	California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the	е			
	employment and wages of apprentices. Contractor shall be held				
	responsible for the compliance of their subcontractors with sections				
	1777.5, 1777.6 and 1777.7.  5. Working Hours. Contractor and subcontractors shall comply with				
	California Labor Code sections 1810 through 1815, including but not				
	limited to: (i) restrict working hours on public works contracts to				
	eight hours a day and forty hours a week, unless all hours worked in				
	excess of 8 hours per day are compensated at not less than 1½ times the	Э			
	basic rate of pay; and (ii) specify penalties to be imposed on design				
	professionals and subcontractors of \$25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in				
	violation of California Labor Code sections1810 through 1815.				
	6. Required Provisions for Subcontracts. Contractor shall include at a				
	minimum a copy of the following provisions in any contract they enter				
	into with a subcontractor: California Labor Code sections 1771, 1771.1,				
	1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.				
	<ol> <li>Labor Code Section 1861 Certification. Contractor in accordance with California Labor Code section 3700 is required to secure the payment of</li> </ol>				
	compensation of its employees and by signing this Contract, Contractor				
	certifies that "I am aware of the provisions of Section 3700 of the				
	California Labor Code which require every employer to be insured against	st			
	liability for workers' compensation or to undertake self-insurance in				
	accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this				
	Contract."				
	Labor Compliance Program. The City has its own Labor Compliance				
	Program authorized in August 2011 by the DIR. The City will withhold				
	contract payments when payroll records are delinquent or deemed				
	inadequate by the City or other governmental entity, or it has been				
	established after an investigation by the City or other governmental entity that underpayment(s) have occurred. For questions or assistance,

	into with a subcontractor: California Labor Code sections 1771, 1771, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.  7. Labor Code Section 1881 Certification. Contractor in accordance with California Labor Code section 3700 is required to secure the payment of compensation of its employees and by signing this Contract, Contractor certifies that "I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured again liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Contract."  8. Labor Compliance Program. The City has its own Labor Compliance Program authorized in August 2011 by the DIR. The City will withhold contract payments when payroll records are delinquent or deemed inadequate by the City or other governmental entity, or it has been established after an investigation by the City or other governmental entity that underpayment(s) have occurred. For questions or assistance please contact the City of San Diego's Equal Opportunity Contracting Department at 619-236-6000.  9. Contractor and Subcontractor Registration Requirements. This proje is subject to compliance monitoring and enforcement by the DIR. A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter of the Labor Code unless currently registered and qualified to perform the work pursuant to Section 1725.5. In accordance with Labor Code section 1771.1.(a), "[i]t is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 2103.5 of the Public Contract Code, provided the contractor is registered to perform public work provided the	f est
