WAGE REQUIREMENTS: PURCHASE ORDERS EXECUTED ON OR AFTER JANUARY 1, 2015

By performing the services detailed in this purchase order, Contractor
is entering into a contract with the City. Contractor certifies that he
or she is aware of the wage provisions described herein and shall comply
with such provisions before commencing services.
A. PREVAILING WAGES. Pursuant to San Diego Municipal Code section
22.3019, construction, alteration, demolition, repair and maintenance
work performed under this Contract is subject to State prevailing wage
laws. For construction work performed under this Contract cumulatively
exceeding $25,000 and for alteration, demolition, repair and maintenance
work performed under this Contract cumulatively exceeding $15,000, the
contractor and its subcontractors shall comply with State prevailing
wage laws including, but not limited to, the requirements listed below.
This requirement is in addition to the requirement to pay Living Wage
pursuant to San Diego Municipal Code sections 22.4201through 22.4245.
Contractor must determine which per diem rate is highest for each
classification of work (i.e. Prevailing Wage Rate or Living Wage Rate),
and pay the highest of the two rates to their employees. Living Wage
applies to workers who are not subject to Prevailing Wage Rates.
1. Compliance with Prevailing Wage Requirements. Pursuant to sections
1720 through 1861 of the California Labor Code, the Contractor and its
subcontractors shall ensure that all workers who perform work under this
Contract are paid not less than the prevailing rate of per diem wages as
determined by the Director of the California Department of Industrial
Relations (DIR). This includes work performed during the design and
preconstruction phases of construction including, but not limited to,
inspection and land surveying work.
1.1. Copies of such prevailing rate of per diem wages are on file at
the City and are available for inspection to any interested party on
request. Copies of the prevailing rate of per diem wages also may be
found at http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm.
Contractor and its subcontractors shall post a copy of the prevailing
rate of per diem wages determination at each job site and shall make
them available to any interested party upon request.

1.2. The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Contract. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Contract in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Contract, each successive predetermined wage rate shall apply to this Contract on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Contract, such wage rate shall apply to the balance of the Contract.

2. Penalties for Violations. Contractor and its subcontractors shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. This shall be in addition to any other applicable penalties allowed under Labor Code sections 1720 – 1861.

Contractor shall require its subcontractors to also comply with section 1776. Contractor and its subcontractors shall submit weekly certified payroll records online via the City's web-based Labor Compliance Program. Contractor is responsible for ensuring its subcontractors submit certified payroll records to the City. Contractor and their subcontractor(s) shall also furnish the records specified in Labor Code section 1776 directly to the Labor Commissioner in the manner required in Labor Code section 1771.4.

4. Apprentices. Contractor and its subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. Contractor shall be held responsible for the compliance of their subcontractors with sections 1777.5, 1777.6 and 1777.7.

5. Working Hours. Contractor and subcontractors shall comply with California Labor Code sections 1810 through 1815, including but not limited to: (i) restrict working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specify penalties to be imposed on design professionals and subcontractors of $25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of California Labor Code sections1810 through 1815.

6. Required Provisions for Subcontracts. Contractor shall include at a minimum a copy of the following provisions in any contract they enter into with a subcontractor: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.

7. Labor Code Section 1861 Certification. Contractor in accordance with California Labor Code section 3700 is required to secure the payment of compensation of its employees and by signing this Contract, Contractor certifies that "I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Contract."

8. Labor Compliance Program. The City has its own Labor Compliance Program authorized in August 2011 by the DIR. The City will withhold contract payments when payroll records are delinquent or deemed inadequate by the City or other governmental entity, or it has been established after an investigation by the City or other governmental entity that underpayment(s) have occurred.
