

Note.
60 lin. ft. of sewer in alley in Block E not constructed as shown on Drg. 1791-L. 54.5 lin. ft. of sewer in Amaryllis Drive substituted in its place as shown. This was done under public contract.

NOTE -
These sewers were installed by H.H. Peterson, Septic Tank by W.E. Ash under contracts with San Diego Securities Co. (Bach). D.A. Loebenstein was engineer.
Plan and Profiles plotted by G.R.H. from Field Notes of Loebenstein. Copy of his notes will be found in Field Book 960, pages 57 to 60.
